NATIONAL ANTHEM

Nigeria, we hail thee,
Our own dear native land,
Though tribe and tongue may differ,
In brotherhood, we stand,
Nigerians all, are proud to serve
Our sovereign Motherland.

Our flag shall be a symbol
That truth and justice reign,
In peace or battle honour'd,
And this we count as gain,
To hand on to our children
A banner without stain.

O God of all creation,
Grant this our one request,
Help us to build a nation
Where no man is oppressed,
And so with peace and plenty
Nigeria may be blessed.

THE PLEDGE

I pledge to Nigeria my country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity
and uphold her honour and glory
So help me God.

Welcome Address

Calvary greetings from the entire Praise God with the Twins family. Today, we congregate to give praise to the Most High God in whatever language we can as we shall be raising our voices to the Olowogbogboro, echembal 1 by saying Dan Zaki re Baba

PURPOSE/MANDATE

Praise God with the Twins was berthed in the year 2016 present day when our highly revered Convener Kenny Jones Olayiwola received a call from God in his bathroom with the clear instruction to gather Twins in order to praise Him and He (God) will manifest His greatness through setting the captives free from barrenness, from the shackles of poverty, deprivation, societal exclusion, spiritual captivity etc. Incidentally, this year's Theme corroborate this experience which is "Love"

UNIQUENESS

It is no news that there are plethora of Twin groups in Nigeria and beyond. While most of these twin groups focus' on Fiestas, Carnivals, Social engagements and even politics, Praise God with the Twins is solely dedicated to the Praise and worship of the Most High God.

GRATITUDE AND APPRECIATION

Our unalloyed gratitude and appreciation goes to God Almighty for his sustainability of this laudable project; to the Jones' wives I.e Mrs Omolola and Abolanle Jones for their support in making this programme grow in leaps and bounds and to the entire Praise God with the Twins and the Adult Committee's for your sacrifi ces and time. May God bless us all. Amen.

Ladies and gentlemen, brothers and sisters in the Lord, today, Twins and Multiples are highly revered and sought after by expectant parents in all nooks and crannies of the world and we decree that yours is on the way. Amen We are indeed grateful to our Lord Jesus for making us witness yet another year with Praise God with the Twins. We pray that our blessings shall be double-double through Christ Jesus. Amen.

About Us

It is that time of the year, when twins from all over the country come together in one voice to intercede for Nigeria in songs. The programme "Praise God with the Twins" was first held about 8 years ago when the duo of Taiwo and Kenny Jones Olayiwola, gathered twins from all parts of Nigeria together to seek an alternative way apart from praying to intercede for Nigeria

According to the conveners, this year's edition is tagged **"LOVE"** . "Nigeria has been discovered to be the most praying nation in the world and it is a fact that we have nothing to show for it. Our belief is that when you keep doing something in a particular way and the result is not coming, there is need to diversify."

"One day we were inspired to try intercession through song and the answer we sought just came like that. This got us thinking there should be something we can do to change the orientation of Nigerians on making positive impact. We were led to use ourselves as twins and others like us in interceding through song for our beloved country. It is our belief that where prayers tarry, praise intercedes and that was how we came up with asking every Nigerian to **"Praise God With the Twins"** they concluded.
